GRE General Exam: (test fee \$160) Testing is available through Prometric Testing. In order to apply for reimbursement this must be your first time taking a DANTES-funded GRE General administration and understand this includes paper-based administrations previously offered at DANTES Test Centers or computer-based versions of the exam. Your current "Armed Forces of the United States" identification card will not expire before you take the GRE General exam. **You must seek reimbursement within 90 days of the GRE General test date.** The examinee is responsible for registering and scheduling their test. The examinee is responsible for initially paying all registration fees. Thomson Prometric reimburses the testing fee for eligible military personnel. The examinee must pay particular attention to the rescheduling and cancellation sections in the appropriate testing information bulletin. Call Prometric Testing at 1-800-998-5662 to schedule a testing appointment or go online at www.prometric.com

GMAT: (test fee \$250) Testing is available through Pearson VUE. In order to apply for reimbursement this must be your first DANTES-funded GMAT administration and understand this includes paper-based administrations previously offered at DANTES Test Centers or computer-based versions of the exam. Your current "Armed Forces of the United States" identification card will not expire before you take the GMAT exam. **You must seek reimbursement within 90 days of the GMAT test date.** The examinee is responsible for registering and scheduling their test. The examinee is responsible for initially paying all registration fees. DANTES reimburses the testing fee for eligible military personnel. The examinee must pay particular attention to the rescheduling and cancellation policies of Pearson VUE. Call Pearson VUE at 1-800-717-GMAT (4628) to schedule a testing appointment or go online at www.vue.com
